

2009 SUMMER BAND CAMPS

It is highly recommended that all instrumental students continue their involvement in music during the summer months by attending a band camp and/or receiving private lessons. Summer band camps can be a lot of fun, in addition to building on the student's hard work over the past school year. The summer months can make a big difference in growth or loss of instrumental skills. The following is a list of some of the band camps being offered in the area. If you are interested in starting your son or daughter on private lessons this summer, you will find a list of teachers in the Howard County area at the following website: <http://www.lrhsband.org/Instructors.php>
